Track 11

Task one. Listen and choose the correct answer.

A: Good morning, I'd like to buy a mobile phone.

B: This is our top range model. The X800. It's \$400.

A: Actually, I'd like something cheaper.

B: What about this one. The X450 model. It's \$250.

A: Can it take photos?

B: No, it can't. But it can send e-mails and connect to the Internet.

A: Does the price include tax?

B: No, it doesn't. It's \$280 with sales tax.

Track 13

Task two. Listen and choose the correct answer.

This is our patrol route. We will start at the village of Sila, move along route blue to

Varga and then set up a checkpoint at grid 158362.

The patrol will leave at 0700. We should reach our checkpoint position at 0830. We will remain there until 1400.

Keep to the roads and don't walk on the side of the road. Engineers report that there are still mines.

The current alert status is green. We have reports of activity in our area of operations and the alert status will change to yellow at 2400.

The weather forecast for tomorrow morning is cold and wet. Tomorrow afternoon should be about 20° centigrade and dry.
